ADMISSIONS AND CONTINUED OCCUPANCY POLICY FOR THE HOUSING AUTHORITY OF THE CITY OF VIDALIA

This Admissions and Continued Occupancy Policy defines the Housing Authority of the City of Vidalia's policies for the operation for the Public Housing Program, incorporating Federal, State and local law. If there is any conflict between this policy and laws or regulations, the laws and regulations will prevail.

1.0 FAIR HOUSING

It is the policy of the Housing Authority of the City of Vidalia to fully comply with all Federal, State and local nondiscrimination laws; the Americans with Disabilities Act; and the U. S. Department of Housing and Urban Development regulations governing Fair Housing and Equal Opportunity.

No person shall, on the grounds of race, color, sex, religion, national or ethnic origin, familial status, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under the Housing Authority of the City of Vidalia's programs. All written information and advertisements will contain the appropriate Equal Opportunity language and logo.

No person shall be denied admission to the Housing Authority solely on the basis that the applicant is or has been a victim of domestic violence, dating violence, or stalking if the applicant otherwise qualifies for assistance or admission in accordance with Section 607 of the Violence Against Women and Department of Justice Reauthorization ACT of 2005.

2.0 REASONABLE ACCOMODATION

Sometimes people with disabilities may need a reasonable accommodation in order to take full advantage of the Housing Authority of the City of Vidalia housing programs and related services. When such accommodations are granted, they do not confer special treatment or advantage for the person with a disability; rather, they make the program accessible to them in a way that would otherwise not be possible due to their disability. This policy clarifies how the Housing Authority of the City of Vidalia will determine whether it is reasonable to provide a requested accommodation.

2.1 DETERMINATION GUIDE

- A. Is the requested accommodation reasonable? In order to be determined reasonable, the accommodation must meet two criteria:

1. Would the accommodation constitute a fundamental alteration? The Housing Authority of the City of Vidalia's business is housing. If the request would alter the fundamental business that the Housing Authority of the City of Vidalia conducts, that would not be reasonable. For instance, the Housing Authority of the City of Vidalia would deny a request to have the Housing Authority of the City of Vidalia do grocery shopping for a person with disabilities.
 2. Would the requested accommodation create an undue financial hardship or administrative burden? If the cost would be an undue burden, the Housing Authority of the City of Vidalia may request a meeting with the individual to investigate and consider equally effective alternatives.
- B. If more than one accommodation is equally effective in providing access to the Housing Authority of the City of Vidalia's programs and services, the Housing Authority of the City of Vidalia retains the right to select the most efficient or economic choice.

The cost necessary to carry out approved requests, including requests for physical modifications, will be borne by the Housing Authority of the City of Vidalia if there is no one else willing to pay for the modifications. If another party pays for the modification, the Housing Authority of the City of Vidalia will seek to have the same entity pay for any restoration costs.

If the tenant requests as a reasonable accommodation that they be permitted to make physical modifications at their own expense, the Housing Authority of the City of Vidalia will review each request to ensure that the requested action does not violate codes or affect the structural integrity of the unit. Also the Authority will make a determination if the requested action would affect normal living in the unit by a non disabled person without having the requested action removed at the Authorities expense.

Any request for an accommodation that would enable a tenant to materially violate essential lease terms will not be approved, i.e. allowing nonpayment of rent, destruction of property, disturbing the peaceful enjoyment of others, etc.

2.2 SERVICES FOR NON-ENGLISH SPEAKING APPLICANTS AND RESIDENTS

All applicants that appear to be experiencing difficulties communicating in English will be asked if they need to communicate in a language other than English (including sign language or Braille). Their needs will be accommodated as much as possible. If another family member or a friend can translate, this option will be utilized to the maximum degree possible. The Vidalia Housing Authority will endeavor to have access to people who speak languages other than English.

3.0 FAMILY OUTREACH

The Housing Authority of the City of Vidalia will publicize the availability and nature of the Public Housing Program for extremely low-income, very low and low-income families in a newspaper of general circulation when the Authority is unable to fill vacancies in a reasonable length of time.

4.0 RIGHT TO PRIVACY

All adult members of both applicant and tenant households are required to sign HUD Form 9886, Authorization for Release of Information and Privacy Act Notice. The Authorization for Release of Information and Privacy Act Notice states how family information will be released and includes the Federal Privacy Act Statement.

Any request for applicant or tenant information will not be released unless there is a signed release of information request from the applicant or tenant.

5.0 REQUIRED POSTINGS

In the Housing Authority of the City of Vidalia's administrative office, the Authority will post, in a conspicuous place and at a height easily read by all persons including persons with mobility disabilities, the following information:

6.0 TAKING APPLICATIONS

Families wishing to apply for the Public Housing Program will be required to complete an application for housing assistance. Applications will be accepted during regular business hours at the Administrative Office located at 907 Morris Street, Vidalia, Georgia.

Applications are taken to compile a waiting list. Due to the demand for housing in the Housing Authority of the City of Vidalia jurisdiction, the Housing Authority of the City of Vidalia may take applications on an open enrollment basis, depending on the length of the waiting list.

Completed applications will be accepted for all applicants and the Housing Authority of the City of Vidalia will verify the information.

The completed application will be dated with time upon its return to the Housing Authority of the City of Vidalia.

Persons with disabilities who require a reasonable accommodation in completing an application may call the Housing Authority of the City of Vidalia to make special arrangements. A Telecommunication Device for the Deaf (TDD) is available for the deaf. The TDD telephone number is **(912-526-8504)**.

The application process will involve two phases. The first phase is the initial application for housing assistance or the pre-application. The pre-application requires the family to provide limited basic information establishing any preferences to which they may be entitled. This first phase results in the family's placement on the waiting list.

Upon receipt of the family's pre-application, the Housing Authority of the City of Vidalia will make a preliminary determination of eligibility. If the Housing Authority of the City of Vidalia determines the family to be ineligible, the notice will state the reasons therefore and will offer the family the opportunity of an informal review of the determination.

The applicant may at any time report changes in their applicant status including changes in family composition, income, or preference factors. The Housing Authority of the City of Vidalia will annotate the applicant's file and will update their place on the waiting list. Confirmation of the changes will be confirmed with the family in writing.

The second phase is the final determination of eligibility, referred to as the full application. The full application takes place when the family nears the top of the waiting

list. The Housing Authority of the City of Vidalia will ensure that verification of all preferences, eligibility, suitability and selection factors are current in order to determine the family's final eligibility for admission into the Public Housing Program.

 2. To be eligible for admission to developments or scattered-site units that became available on or after 10/1/81, the family's annual income must be within the very low-income limit set by HUD, unless HUD grants an exception. This means that without a HUD exception, the family income cannot exceed 50 percent of the median income for the area.

3. Income and asset limits apply at admission and continued occupancy, due to the Housing Opportunity Through Modernization Act of 2016 (HOTMA). *See 7.2.F.*
4. A family may not be admitted to the public housing program from another assisted housing program (e.g., tenant-based Section 8) or from a public housing program operated by another housing authority without meeting the income requirements of the Housing Authority of the City of Vidalia.

2. Family eligibility for assistance.
 - a. A family shall not be eligible for assistance unless every member of the family residing in the unit is determined to have eligible status, with the exception noted below.
 - b. Despite the ineligibility of one or more family members, a mixed family may be eligible for one of three types of assistance. (See Section 12.6 for calculating rents under the non-citizen rule)
 - c. A family without any eligible members and receiving assistance on June 19, 1995 may be eligible for temporary deferral of termination of assistance.

D. Social Security Number Documentation

To be eligible, all family members 6 years of age and older must provide a Social Security number or certify that they do not have one.

E. Signing Consent Forms

1. In order to be eligible, each member of the family who is at least 18 years of age, and each family head and spouse regardless of age, shall sign one or more consent forms.
 2. The consent form must contain, at a minimum, the following:
 - a. A provision authorizing HUD or the Housing Authority of the City of Vidalia to obtain from State Wage Information Collection Agencies (SWICAs) any information or materials necessary to complete or verify the application for participation or for eligibility for continued occupancy; and
 - b. A provision authorizing HUD or the Housing Authority of the City of Vidalia to verify with previous or current employers income information pertinent to the family's eligibility for or level of assistance;
 - c. A provision authorizing HUD to request income information from the IRS and the SSA for the sole purpose of verifying income information pertinent to the family's eligibility or level of benefits; and
 - d. A statement that the authorization to release the information requested by the consent form expires 15 months after the date the consent form is signed.

 - b. The family has a present ownership interest in, a legal right to reside in, and the effective legal authority to sell the real property that is suitable for occupancy by the family as a residence. Families are given the opportunity to cure this noncompliance with the asset limitation during the six month period.

7.3 *SUITABILITY*

- A. Applicant families will be evaluated to determine whether, based on their recent behavior, such behavior could reasonably be expected to result in noncompliance with the public housing lease. The Housing Authority of the City of Vidalia will look at past conduct as an indicator of future conduct. Emphasis will be placed on whether a family's admission could reasonably be expected to have a detrimental effect on the development environment, other tenants, Housing Authority of the City of Vidalia employees, or other people residing in the immediate vicinity of the property. Otherwise eligible families will be denied admission if they fail to meet the suitability criteria.

- B. The Housing Authority of the City of Vidalia will consider objective and reasonable aspects of the family's background, including the following:
 - 1. History of meeting financial obligations, especially rent;

 - 1. A credit check of the head, spouse and co-head;

2. A rental history check of all adult family members;
3. A criminal background check on all adult household members, including live-in aides. This check will be made through State or local law enforcement or court records in those cases where the household member has lived in the local jurisdiction for the last three years. Where the individual has lived outside the local area, the Housing Authority of the City of Vidalia may contact law enforcement agencies where the individual had lived or request a check through the FBI's National Crime Information Center (NCIC);
4. A home visit. The home visit provides the opportunity for the family to demonstrate their ability to maintain their home in a safe and sanitary manner. This inspection considers cleanliness and care of rooms, appliances, and appurtenances. The inspection may also consider any evidence of criminal activity; and
5. A check of the State's lifetime sex offender registration program for each adult household member, including live-in aides. No individual registered with this program will be admitted to public housing.

8.3 FAMILIES NEARING THE TOP OF THE WAITING LIST

When a family appears to be within three (3) months of being offered a unit, the family will be invited to an interview and the verification process will begin. It is at this point in time that the family's waiting list preference will be verified. If the family no longer qualifies to be near the top of the list, the family's name will be returned to the appropriate spot on the waiting list. The Housing Authority of the City of Vidalia must notify the family in writing of this determination and give the family the opportunity for an informal review.

When good cause exists for missing an appointment, the Housing Authority of the City of Vidalia will work closely with the family to find a more suitable time.

8.7 NOTIFICATION OF NEGATIVE ACTIONS

Any applicant whose name is being removed from the waiting list will be notified by the Housing Authority of the City of Vidalia, in writing, that they have five (5) working days from the date of the written correspondence to present mitigating circumstances or request an informal review. The letter will also indicate that their name will be removed from the waiting list if they fail to respond within the timeframe specified. The Housing Authority of the City of Vidalia system of removing applicant names from the waiting list will not violate the rights of persons with disabilities. If an applicant claims that their failure to respond to a request for information or updates was caused by a disability, the Housing Authority of the City of Vidalia will verify that there is in fact a disability and the disability caused the failure to respond, and provide a reasonable accommodation. An example of a reasonable accommodation would be to reinstate the applicant on the waiting list based on the date and time of the original application.

9.0 TENANT SELECTION AND ASSIGNMENT PLAN

9.1 PREFERENCES

The Housing Authority of the City of Vidalia will select families based on the following preferences within each bedroom size category:

- a. By unit size and unit type (regular, elderly, special handicapped).
- b. Then by priority ranking of the following preferences:
 - 1. First Priority – Families who work at least 20 hours per week and have been employed over nine (9) months; and elderly and disabled families.

2. Second priority – Families who work at least 20 hours per week and have been employed less than nine (9) months.
 3. Third Priority – All other families who have refused an offer of a unit in accordance with the Applicant Selection and Assignment Plan.
- c. Within the priorities above by date and time of application. Note – An elderly family will be given a preference over a single person. Also, in developments designated for the elderly, a near elderly applicant will be given a preference over a single person.

Selection of applicant families for making offers of dwelling units shall be performed by matching the ranking unit to the ranking applicant as follows:

- a. The “ranking rentable unit” is that rentable dwelling unit which is vacated and ready for occupancy and is not encumbered by an offer which has not been accepted or rejected.
- b. The “ranking applicant family” is that eligible family with the highest priority as defined in this policy, or priority being equal, the earliest date and time of application.

Based on the above preferences all families in preference A will be offered housing before any families in preference B, and preference B families will be offered housing before any families in preference C.

The date and time of application will be noted and utilized to determine the sequence within the above prescribed preferences.

Notwithstanding the above, families who are elderly, disabled, or displaced will be offered housing before other single persons.

Buildings Designed for the Elderly and Disabled: Preference will be given to elderly and disabled families. If there are no elderly or disabled families on the list, preference will then be given to near-elderly families. If there are no near-elderly families on the waiting list, units will be offered to families who qualify for the appropriate bedroom size using these priorities. All such families will be selected from the waiting list using the preferences as outlined above.

Buildings Designated as Elderly and Disabled Only Housing: Twenty (20) units of the GA145-005 units have been approved by HUD as being designated for elderly and disabled only. In filling vacancies in this development, first priority will be given to elderly and disabled families. If there are no elderly or disabled families on the list, next priority will be given to the near-elderly. If there are no near-elderly, units will be offered to families who qualify for the appropriate bedroom size. Using these priorities, families will be selected from the waiting list using the preferences as outlined above.

Accessible Units: Accessible units will be first offered to families who may benefit from the accessible features. Applicants for these units will be selected utilizing the same

preference system as outlined above. If there are no applicants who would benefit from the accessible features, the units will be offered to other applicants in the order that their names come to the top of the waiting list. Such applicants, however, must sign a release form stating they will accept a transfer (at their own expense) if, at a future time, a family requiring an accessible feature applies. Any family required to transfer will be given a 30-day notice.

9.2 ASSIGNMENT OF BEDROOM SIZES

The following guidelines will determine each family’s unit size without overcrowding or over-housing:

Number of Bedrooms	Number of Persons	
	Minimum	Maximum
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8

These standards are based on the assumption that each bedroom will accommodate no more than two (2) persons. Zero bedroom units will only be assigned to one-person families. Two adults will share a bedroom unless related by blood.

In determining bedroom size, the Housing Authority of the City of Vidalia will include the presence of children to be born to a pregnant woman, children who are in the process of being adopted, children whose custody is being obtained, children who are temporarily away at school, or children who are temporarily in foster-care.

In addition, the following considerations may be taken in determining bedroom size:

- A. Children of the same sex may share a bedroom.
- B. Children of the opposite sex, both under the age of three (3) will share a bedroom.
- C. Adults and children will not be required to share a bedroom.
- D. Foster – adults and/or foster - children will not be required to share a bedroom with family members.

- E. Live-in aides will get a separate bedroom.

Exceptions to normal bedroom size standards include the following:

- A. Units smaller than assigned through the above guidelines – A family may request a smaller unit size than the guidelines allow. The Housing Authority of the City of Vidalia will allow the smaller size unit so long as generally no more than two (2) people per bedroom are assigned. In such situations, the family will sign a certification stating they understand they will be ineligible for a larger size unit for three (3) years or until the family size changes, whichever may occur first.
- B. Units larger than assigned through the above guidelines – A family may request a larger unit size than the guidelines allow. The Housing Authority of the City of Vidalia will allow the larger size unit if the family provides a verified medical need that the family be housed in a larger unit.
- C. If there are no families on the waiting list for a larger size, smaller families may be housed if they sign a release form stating they will transfer (at the family's own expense) to the appropriate size unit when an eligible family needing the larger unit applies. The family transferring will be given a 30-day notice before being required to move.
- D. Larger units may be offered in order to improve the marketing of a development suffering a high vacancy rate.

9.3 SELECTION FROM THE WAITING LIST

The Housing Authority of the City of Vidalia shall follow the statutory requirement that at least 40% of newly admitted families in any fiscal year be families whose annual income is at or below 30% of the area median income. To insure this requirement is met we shall quarterly monitor the incomes of newly admitted families and the incomes of the families on the waiting list. If it appears that the requirement to house extremely low-income families will not be met, we will skip higher income families on the waiting list to reach extremely low-income families.

If there are not enough extremely low-income families on the waiting list we will conduct outreach on a non-discriminatory basis to attract extremely low-income families to reach the statutory requirement.

9.4 DECONCENTRATION POLICY

It is the Housing Authority of the City of Vidalia's policy to provide for deconcentration of poverty and encourage income mixing by bringing higher income families into lower income developments and lower income families into higher income developments. Toward this end, we will skip families on the waiting list to reach other families with a

lower or higher income. We will accomplish this in a uniform and non-discriminating manner.

The Housing Authority of the City of Vidalia will affirmatively market our housing to all eligible income groups. Lower income residents will not be steered toward lower income developments and higher income people will not be steered toward higher income developments.

From time to time the Authority will analyze the income levels of families residing in each of our developments and the income levels of the families on the waiting list. Based on this analysis, the authority will determine the level of marketing strategies and deconcentration incentives to implement.

9.5 *DECONCENTRATION INCENTIVES*

The Housing Authority of the City of Vidalia may offer one or more incentives to encourage applicant families whose income classification would help to meet the deconcentration goals of a particular development.

Various incentives may be used at different times, or under different conditions, but will always be provided in a consistent and nondiscriminatory manner.

9.6 *OFFER OF A UNIT*

When the Housing Authority of the City of Vidalia discovers that a unit will become available, we will contact the first family on the waiting list who has the highest priority for this type of unit or development and whose income category would help to meet the deconcentration goal and/or the income targeting goal.

The Housing Authority of the City of Vidalia will contact the family first by telephone to make the unit offer. If the family cannot be reached by telephone, the family will be notified of a unit offer via first class mail. The family will be given five (5) business days from the date the letter was mailed to contact the Housing Authority of the City of Vidalia regarding the offer.

The family will be offered the opportunity to view the unit. After the opportunity to view the unit, the family will have two (2) business days to accept or reject the unit. This verbal offer and the family's decision must be documented in the tenant file. If the family rejects the offer of the unit, the Housing Authority of the City of Vidalia will send the family a letter documenting the offer and the rejection.

9.7 REJECTION OF UNIT

If in making the offer to the family the Housing Authority of the City of Vidalia skipped over other families on the waiting list in order to meet their deconcentration goal or offered the family any other deconcentration incentive and the family rejects the unit, the family will not lose their place on the waiting list and will not be otherwise penalized.

If the Housing Authority of the City of Vidalia did not skip over other families on the waiting list to reach this family, did not offer any other deconcentration incentive, and the family rejects the unit without good cause, the family will forfeit their application's date and time. The family will keep their preferences, but the date and time of application will be changed to the date and time the unit was rejected.

If the family rejects with good cause any unit offered, they will not lose their place on the waiting list. Good cause includes reasons related to health, proximity to work, school, and childcare (for those working or going to school). The family will be offered the right to an informal review of the decision to alter their application status.

9.8 ACCEPTANCE OF UNIT

The family will be required to sign a lease that will become effective no later than three (3) business days after the date of acceptance or the business day after the day the unit becomes available, whichever is later.

Prior to signing the lease all families (head of household) and other adult family members will be required to attend the Lease and Occupancy Orientation when they are initially accepted for occupancy. The family will not be housed if they have not attended the orientation. Applicants who provide prior notice of an inability to attend the orientation will be rescheduled. Failure of an applicant to attend the orientation, without good cause, may result in the cancellation of the occupancy process.

The applicant will be provided a copy of the lease, the grievance procedure, utility allowances, and the current schedule of routine maintenance charges. These documents will be explained in detail. The applicant will sign a certification that they have received these documents and that they have reviewed them with Housing Authority personnel. The certification will be filed in the tenant's file.

The signing of the lease and the review of financial information are to be privately handled. The head of household and all adult family members will be required to execute the lease prior to admission. One executed copy of the lease will be furnished to the head of household and the Housing Authority of the City of Vidalia will retain the original executed lease in the tenant's file. A copy of the grievance procedure will be attached to the resident's copy of the lease.

The family will pay a security deposit at the time of lease signing. The security deposit

will be equal to a set amount determined, from time to time, by the Housing Authority's Board of Director's.

In exceptional situations, the Housing Authority of the City of Vidalia reserves the right to allow a new resident to pay their security deposit in up to four (4) payments. One fourth shall be paid in advance, one fourth at each months rental due date for the next three months. This shall be at the sole discretion of the Housing Authority.

In the case of a move within public housing, the security deposit for the first unit will be transferred to the second unit.

In the event there are costs attributable to the family for bringing the first unit into condition for re-renting, the family shall be billed for these charges.

10.0 INCOME, EXCLUSIONS FROM INCOME, AND DEDUCTIONS FROM INCOME

To determine annual income, the Housing Authority of the City of Vidalia counts the income of all family members, excluding the types and sources of income that are specifically excluded. Once the annual income is determined, the Housing Authority of the City of Vidalia subtracts all allowable deductions (allowances) to determine the Total Tenant Payment.

10.1 INCOME

Annual income means all amounts, monetary or not, that:

- A. Go to (or on behalf of) the family head or spouse (even if temporarily absent) or to any other family member; or
- B. Are anticipated to be received from a source outside the family during the 12-month period following admission or annual reexamination effective date; and
- C. Are not specifically excluded from annual income.

Annual income includes, but is not limited to:

- A. The full amount, before any payroll deductions, of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services.
- B. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets

used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is a reimbursement of cash or assets invested in the operation by the family.

- C. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate, as determined by HUD.
- D. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. (However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.)
- E. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation, and severance pay. (However, lump sum additions such as insurance payments from worker's compensation are excluded.)
- F. Welfare assistance.
 - 1. If the welfare assistance payment includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
 - a. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 - b. The maximum amount that the welfare assistance agency could in fact allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying

a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.

2. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.
 3. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted as income.
- G. Periodic and determinable allowances, such as alimony, child support payments, and regular contributions or gifts received from organizations or from persons not residing in the dwelling.
- H. All regular pay, special pay, and allowances of a member of the Armed Forces. (Special pay to a member exposed to hostile fire is excluded.)

10.2 ANNUAL INCOME

Annual income does not include the following:

- A. Income from employment of children (including foster children) under the age of 18 years;
- B. Payments received for the care of foster children or foster adults (usually persons with disabilities, unrelated to the tenant family, who are unable to live alone);
- C. Lump-sum additions to family assets, such as inheritances, insurance payments (including payments under health and accident insurance and worker's compensation), capital gains, and settlement for personal or property losses;
- D. Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member;
- E. Income of a live-in aide;
- F. The full amount of student financial assistance paid directly to the student or to the educational institution;

- G. The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;
- H. The amounts received from the following programs:

 - 3. Amounts received by a participant in other publicly assisted programs that are specifically for or in reimbursement of out-of-pocket expenses incurred (special equipment, clothing, transportation, child care, etc.) and that are made solely to allow participation in a specific program;
 - 4. Amounts received under a resident service stipend. A resident service stipend is a modest amount (not to exceed \$200 per month) received by a resident for performing a service for the Housing Authority or owner, on a part-time basis, that enhances the quality of life in the development. Such services may include, but are not limited to, fire patrol, hall monitoring, lawn maintenance, and resident initiatives coordination. No resident may receive more than one such stipend during the same period of time;
 - 5. Incremental earnings and benefits resulting to any family member from participation in qualifying State or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program;

 - 9. Adoption assistance payments in excess of \$480 per adopted child;

10. For family members who enrolled in certain training programs prior to 10/1/99, the earnings and benefits resulting from the participation if the program provides employment training and supportive services in accordance with the Family Support Act of 1988, Section 22 of the 1937 Act (42 U.S.C. 1437t), or any comparable Federal, State, or local law during the exclusion period. For purposes of this exclusion the following definitions apply:

If the family member is terminated from employment with good cause, the exclusion period shall end.
 - c. Earnings and benefits means the incremental earnings and benefits resulting from a qualifying employment training program or subsequent job.
11. The incremental earnings due to employment during the 12-month period following date of hire shall be excluded. This exclusion (paragraph 11) will not apply for any family who concurrently is eligible for exclusion #10. Additionally, this exclusion is only available to the following families:

 - b. Families whose income increases during the participation of a family member in any family self-sufficiency program.

 2. Establish a repayment plan for the resident to pay the sum due to the agency;
 3. Terminate the lease and evict for failure to report income; or
 4. Terminate the lease, evict for failure to report income, and collect the back rent due to the agency.

11.0 VERIFICATION

The Housing Authority of the City of Vidalia will verify information related to waiting list preferences, eligibility, admission, and level of benefits prior to admission.

Periodically during occupancy, items related to eligibility and rent determination shall also be reviewed and verified. Income, assets, and expenses will be verified, as well as disability status, need for a live-in aide and other reasonable accommodations; full time student status of family members 18 years of age and older; Social Security numbers; and citizenship/eligible noncitizen status. Age and relationship will only be verified in those instances where needed to make a determination of level of assistance.

11.1 ACCEPTABLE METHODS OF VERIFICATION

Age, relationship, U.S. citizenship, and Social Security numbers will generally be verified with documentation provided by the family. For citizenship, the family's certification will be accepted. (Or for citizenship documentation such as listed below will be required.) Verification of these items will include photocopies of the Social Security cards and other documents presented by the family, the INS SAVE approval code, and forms signed by the family.

Other information will be verified by the following five verification methods acceptable to HUD, in the order of preference indicated:

1. Up-front Income Verifications (UIV)

UIV is the verification of income through an independent source that systematically maintains income information in computerized form for a large number of individuals.

Current UIV resources include the following:

- a. Tenant Assessment Subsystem (TASS) – HUD's online system for Social Security (SS) and Supplemental Security Income (SSI) information.
- b. State Wage Information Collection Agencies (SWICAs)
- c. State systems for Temporary Assistance for Needy Families (TANF) program
- d. Credit Bureau Information (CBA) credit reports
- e. Internal Revenue Service (IRS) Letter 1722
- f. Private sector databases (e.g. The Work Number)

The Vidalia Housing Authority will use additional UIV resources as they become available. This will be done before, during and/or after examinations and/or re-examinations of household income as appropriate.

It is important to note that UIV data will only be used to verify a participant's eligibility for participation in a rental assistance program and to determine the level of assistance the participant is entitled to receive and only by properly trained persons whose duties require access to this information. Any other use, unless approved by the HUD Headquarters UIV Security System Administrator, is specifically prohibited and will not occur.

No adverse action can be taken against a participant until the Vidalia Housing Authority has independently verified the UIV information and the participant has been granted an opportunity to contest any adverse findings through the established grievance procedure. The consequences of adverse findings may include the Vidalia Housing Authority requiring the immediate payment of any over-subsidy, the entering into a repayment agreement, eviction, criminal prosecution, or any other appropriate remedy.

Furthermore, the information the Vidalia Housing Authority derives from the UIV system will be protected to ensure that it is utilized solely for official purposes and not disclosed in any way that would violate the privacy of the affected individuals.

Once the data has served its purpose, it shall be destroyed by either burning or shredding the data.

2. Third – Party Written Verifications

This type of verification includes written documentation, with forms sent directly to and received directly from a source, not passed through the hands of the family. It may also be a report generated automatically by another government agency, i. E., Department of Welfare, Veterans Administration, etc.

Third-party written verifications may also be used to supplement Up-front Income Verifications. They will be utilized when there is a discrepancy of \$200 a month or more and the participant disputes the UIV results.

Third party verification of SS and SSI benefits shall be obtained by getting a copy of an official Social Security Administration letter of benefits from the person receiving the benefits and verification from HUD's online systems. If either of these forms of verification are not obtainable, then the file shall be documented as to why third party verification was not used.

The Vidalia Housing Authority will allow 2 weeks for the return of third party written verifications prior to continuing on to the next type of verification.

3. Third-Party Oral Verifications

This type of verification includes direct contact with the source, in person or by telephone. When this method is used, staff members will be required to document in writing with whom they spoke, the date of the conversation and the facts obtained.

The Vidalia Housing Authority will allow 10 calendar days for the return of third party oral verifications prior to continuing on to the next type of verification.

4. Review of Documents

When UIV, written and oral third party verifications are not available within the 2 week and 10 calendar days period allowed in paragraphs 2 and 3 above, the Housing Authority will use the information received by the family, provided that the documents provide complete information. Photocopies of the documents, excluding government checks, provided by the family will be maintained in the file. In cases in which documents are viewed and cannot be photocopied, staff reviewing the documents will complete a written statement as to the contents of the document(s).

5. Self-Certification and Self-Declaration (HOTMA Amended)

When UIV, Written and oral third party verifications are not available within the 2 week and 10 calendar days business days period allowed in paragraphs 2 and 3 above, and hand-carried verification cannot be obtained, the Housing Authority will accept a statement detailing information needed, signed by the head, spouse, co-head, or other adult family member. This type of certification will be in compliance under HOTMA regulations, 24 CFR 5.618(b)(2) and confidentiality requirements under 5.2007.

A. Self Certification of Net Family Assets Equal to or Less Than \$50,000 (adjusted annually) will be accepted without taking additional steps to verify accuracy at admission and at re-examination. This certification will not eliminate the need to fully verify net family assets every three years (882.515(a)). This requirement will take effect on or after January 1, 2024.

Verification forms and reports received will be contained in the applicant/tenant file. Oral third party documentation will include the same information as if the documentation had been written, i.e. name, date of contact, amount received, etc.

When any verification method other than Up-Front Income Verification is utilized, the Vidalia Housing Authority will document the reason for the choice of the verification methodology in the applicant/resident's file.

11.2 TYPES OF VERIFICATION

The chart below outlines the factors that may be verified and gives common examples of the verification that will be sought. To obtain written third party verification, the Housing Authority of the City of Vidalia will send a request form to the source along with a release form signed by the applicant/tenant via first class mail.

11.3 VERIFICATION OF CITIZENSHIP OR ELIGIBLE NONCITIZEN STATUS

The citizenship/eligible non-citizen status of each family member regardless of age must be determined.

Prior to being admitted, or at the first reexamination, all citizens and nationals will be required to sign a declaration under penalty of perjury. They will be required to show proof of their status by such means as a Social Security card, birth certificate, military ID, or military DD 214 Form.

Prior to being admitted or at the first reexamination, all eligible noncitizens who are 62 years of age or older will be required to sign a declaration under penalty of perjury. They will also be required to show proof of age.

Prior to being admitted or at the first reexamination, all eligible noncitizens must sign a declaration of their status and a verification consent form and provide their original INS documentation. The Housing Authority of the City of Vidalia will make a copy of the individual's INS documentation and place the copy in the file. The Housing Authority of the City of Vidalia will also verify their status through the INS SAVE system. If the INS SAVE system cannot confirm eligibility, the Housing Authority of the City of Vidalia will mail information to the INS in order that a manual check can be made of INS records.

Family members who do not claim to be citizens, nationals, or eligible noncitizens must be listed on a statement of noneligible members and the list must be signed by the head of the household.

Noncitizen students on student visas, though in the country legally, are not eligible to be admitted to public housing.

Any family member who does not choose to declare their status must be listed on the statement of noneligible members.

If no family member is determined to be eligible under this section, the family's eligibility will be denied.

The family's assistance will not be denied, delayed, reduced, or terminated because of a delay in the process of determining eligible status under this section, except to the extent that the delay is caused by the family.

If the Housing Authority of the City of Vidalia determines that a family member has knowingly permitted an ineligible noncitizen (other than any ineligible noncitizens listed on the lease) to permanently reside in their public housing unit, the family will be evicted.

11.4 VERIFICATION OF SOCIAL SECURITY NUMBERS

Prior to admission, each family member who has a Social Security number and who is at least 6 years of age must provide verification of their Social Security number. New family members at least 6 years of age must provide this verification prior to being added to the lease. Children in assisted households must provide this verification at the first regular reexamination after turning six.

The best verification of the Social Security number is the original Social Security card. If the card is not available, the Housing Authority of the City of Vidalia will accept letters from the Social Security Agency that establishes and states the number. Documentation from other governmental agencies will also be accepted that establishes and states the number. Driver's licenses, military IDs, passports, or other official documents that establish and state the number are also acceptable.

If a member of an applicant family indicates they have a Social Security number, but cannot readily verify it, the family cannot be housed until verification is provided.

If a member of a tenant family indicates they have a Social Security number, but cannot readily verify it, they shall be asked to certify to this fact and shall have up to sixty (60) days to provide the verification. If the individual is at least 62 years of age, they will be given one hundred and twenty (120) days to provide the verification. If the individual fails to provide the verification within the time allowed, the family will be evicted.

11.5 TIMING OF VERIFICATION

Verification information must be dated within ninety (90) days of certification or reexamination. If the verification is older than this, the source will be contacted and asked to provide information regarding any changes.

When an interim reexamination is conducted, the Housing Authority will verify and update all information related to family circumstances and level of assistance. (Or, the Housing Authority will only verify and update those elements reported to have changed.)

11.6 FREQUENCY OF OBTAINING VERIFICATION

For each family member, citizenship/eligible noncitizen status will be verified only once. This verification will be obtained prior to admission. If the status of any family member was not determined prior to admission, verification of their status will be obtained at the next regular reexamination. Prior to a new member joining the family, their citizenship/eligible noncitizen status will be verified.

For each family member age 6 and above, verification of Social Security number will be obtained only once. This verification will be accomplished prior to admission. When a family member who did not have a Social Security number at admission receives a Social Security number, that number will be verified at the next regular reexamination. Likewise, when a child turns six, their verification will be obtained at the next regular reexamination.

12.0 DETERMINATION OF TOTAL TENANT PAYMENT AND TENANT RENT

12.1 FAMILY CHOICE

At admission and each year in preparation for their annual reexamination, each family is given the choice of having their rent determined under the formula method or having their rent set at the flat rent amount.

- A. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they would otherwise undergo.
- B. Families who opt for the flat rent may request to have a reexamination and return to the formula based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.

12.2 THE FORMULA METHOD

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income; or

C. The welfare rent.

The family will pay the greater of the total tenant payment or the minimum rent as set by the Housing Authorities Board of Directors, but never more than \$50.

In the case of a family who has qualified for the income exclusion at Section 10.2(H)(11), upon the expiration of the 12-month period described in that section, an additional rent benefit accrues to the family. If the family member's employment continues, then for the 12-month period following the 12-month period of disallowance, the resulting rent increase will be capped at 50 percent of the rent increase the family would have otherwise received.

12.3 MINIMUM RENT

The Housing Authority of the City of Vidalia will set from time to time a minimum rent. However if the family requests a hardship exemption, the Housing Authority of the City of Vidalia will immediately suspend the minimum rent for the family until the Housing Authority can determine whether the hardship exists and whether the hardship is of a temporary or long-term nature.

A. A hardship exists in the following circumstances:

1. When the family has lost eligibility for or is waiting an eligibility determination for a Federal, State, or local assistance program;
2. When the family would be evicted as a result of the imposition of the minimum rent requirement;
3. When the income of the family has decreased because of changed circumstances, including loss of employment;
4. When the family has an increase in expenses because of changed circumstances, for medical costs, childcare, transportation, education, or similar items;
5. When a death has occurred in the family.

B. No hardship. If the Housing Authority determines there is no qualifying hardship, the minimum rent will be reinstated, including requiring back payment of minimum rent for the time of suspension.

C. Temporary hardship. If the Housing Authority reasonably determines that there is a qualifying hardship but that it is of a temporary nature, the minimum rent will not be imposed for a period of 90 days from the date of the family's request. At

the end of the 90-day period, the minimum rent will be imposed retroactively to the time of suspension. The Housing Authority will offer a repayment agreement in accordance with the Section 19 of this policy for any rent not paid during the period of suspension. During the suspension period the Housing Authority will not evict the family for nonpayment of the amount of tenant rent owed for the suspension period.

- D. Long-term hardship. If the Housing Authority determines there is a long-term hardship, the family will be exempt from the minimum rent requirement until the hardship no longer exists.
- E. Appeals. The family may use the grievance procedure to appeal the Housing Authority's determination regarding the hardship. No escrow deposit will be required in order to access the grievance procedure.

12.4 THE FLAT RENT

In accordance with the Fiscal Year 2014 Appropriations Act, Public Law 113-76, The Housing Authority of the City of Vidalia has set a flat rent for each public housing unit. All Flat Rents will be set at no less than 80 percent of the Fair Market Rent, less the current utility rate for each specified unit. Flat Rent rates will be set by October 1, 2014 for current tenants and new tenants thereafter. Current tenants will have a choice to pay the new Flat Rent Rate or income based rental amount at their next rental exam, after the new Flat Rent Rate are set.

The Housing Authority of the City of Vidalia ensures that no rent shall increase more than 35 percent as a result of the new Flat Rental Change. Each family will have a choice between the new Flat Rent and income based rent and may only change once per year, unless a Financial Hardship exists.

The amount of the flat rent will be reevaluated annually and adjustments applied if applicable. Affected families will be given a 30-day notice of any rent change.

12.5 CEILING RENT

The Vidalia Housing Authority has set a ceiling rent for each public housing unit prior to October 1, 1999. The amount of the ceiling rent will be reevaluated annually and the adjustments applied. Affected families will be given a 30 day notice of any rent change. Adjustments are applied on the anniversary date for each affected family.

12.6 RENT FOR FAMILIES UNDER THE NONCITIZEN RULE

A mixed family will receive full continuation of assistance if all of the following conditions are met:

- A. The family was receiving assistance on June 19, 1995;
- B. The family was granted continuation of assistance before November 29, 1996;

- C. The family's head or spouse has eligible immigration status; and
- D. The family does not include any person who does not have eligible status other than the head of household, the spouse of the head of household, any parent of the head or spouse, or any child (under the age of 18) of the head or spouse.

The family's assistance is prorated in the following manner:

- A. Determine the 95th percentile of gross rents (tenant rent plus utility allowance) for the Housing Authority of the City of Vidalia. The 95th percentile is called the maximum rent.
- B. Subtract the family's total tenant payment from the maximum rent. The resulting number is called the maximum subsidy.
- C. Divide the maximum subsidy by the number of family members and multiply the result times the number of eligible family members. This yields the prorated subsidy.
- D. Subtract the prorated subsidy from the maximum rent to find the prorated total tenant payment. From this amount subtract the full utility allowance to obtain the prorated tenant rent.

12.7 UTILITY ALLOWANCE

The Housing Authority of the City of Vidalia shall establish a utility allowance for all check-metered utilities and for all tenant-paid utilities. The allowance will be based on a reasonable consumption of utilities by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful environment. In setting the allowance, the Housing Authority of the City of Vidalia will review the actual consumption of tenant families as well as changes made or anticipated due to modernization (weatherization efforts, installation of energy-efficient appliances, etc). Allowances will be reviewed annually, as well as any time utility rate changes by 10% or more since the last revision to the allowances. If significant changes have occurred the Authority will revise the utility allowances.

The utility allowance will be subtracted from the family's formula rent to determine the amount of the Tenant Rent. The Tenant Rent is the amount the family owes each month to the Housing Authority of the City of Vidalia. The amount of the utility allowance is then still available to the family to pay the cost of their utilities. Any utility cost above the allowance is the responsibility of the tenant. Any savings resulting from utility costs below the amount of the allowance belongs to the tenant.

Utility allowance revisions based on rate changes shall be effective retroactively to the first day of the month following the month in which the last rate change took place. Revisions based on changes in consumption or other reasons shall become effective at each family's next annual reexamination.

12.8 *PAYING RENT*

Rent and other charges are due and payable on the first day of the month. All rents should be paid at 907 Morris Street, Vidalia, Georgia. Reasonable accommodations for this requirement will be made for persons with disabilities.

If the rent is not paid by the fifth working day of the month, a Notice to Vacate will be issued to the tenant. In addition, a \$5 late charge will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$20 for processing costs.

12.9 *DE MINIMIS ERROS IN INCOME DETERMINATION (HOTMA)*

If the Housing Authority of the City of Vidalia were to overcharge the tenant due to an error in calculating family income, the Housing Authority will credit the tenant's account retroactive to the date the correct rent should have been charged, regardless of the amount.

13.0 CONTINUED OCCUPANCY AND COMMUNITY SERVICE

13.1 *GENERAL*

In order to be eligible for continued occupancy, each adult family member must either (1) contribute eight hours per month of community service (not including political activities) within the community in which the public housing development is located, or (2) participate in an economic self-sufficiency program unless they are exempt from this requirement.

13.2 *EXEMPTIONS*

The following adult family members of tenant families are exempt from this requirement.

- A. Family members who are 62 or older
- B. Family members who are blind or disabled

- C. Family members who are the primary care giver for someone who is blind or disabled
- D. Family members engaged in work activity
- E. Family members who are exempt from work activity under part A title IV of the Social Security Act or under any other State welfare program, including the welfare-to-work program
- F. Family members receiving assistance under a State program funded under part A title IV of the Social Security Act or under any other State welfare program, including welfare-to-work and who are in compliance with that program

13.3 NOTIFICATION OF THE REQUIREMENT

The Housing Authority of the City of Vidalia shall identify all adult family members who are apparently not exempt from the community service requirement.

The Housing Authority of the City of Vidalia shall notify all such family members of the community service requirement and of the categories of individuals who are exempt from the requirement. The notification will provide the opportunity for family members to claim and explain an exempt status. The Housing Authority of the City of Vidalia shall verify such claims.

The notification will advise families that their community service obligation will begin upon the effective date of their first annual reexamination on or after 10/1/99. For family's paying a flat rent, the obligation begins on the date their annual reexamination would have been effective had an annual reexamination taken place. It will also advise them that failure to comply with the community service requirement will result in ineligibility for continued occupancy at the time of any subsequent annual reexamination.

13.4 VOLUNTEER OPPORTUNITIES

Community service includes performing work or duties in the public benefit that serve to improve the quality of life and/or enhance resident self-sufficiency, and/or increase the self-responsibility of the resident within the community.

An economic self sufficiency program is one that is designed to encourage, assist, train or facilitate the economic independence of participants and their families or to provide work for participants. These programs may include programs for job training, work placement, basic skills training, education, English proficiency, work fare, financial or household management, apprenticeship, and any program necessary to ready a participant to work (such as substance abuse or mental health treatment).

Together with the resident advisory councils, the Housing Authority of the City of

Vidalia may create volunteer positions such as hall monitoring, litter patrols, and supervising and record keeping for volunteers.

13.5 THE PROCESS

At the first annual reexamination on or after October 1, 1999, and each annual reexamination thereafter, the Housing Authority of the City of Vidalia will do the following:

- A. Provide a list of volunteer opportunities to the family members.
- B. Provide information about obtaining suitable volunteer positions.
- C. Provide a volunteer time sheet to the family member. Instructions for the time sheet require the individual to complete the form and have a supervisor date and sign for each period of work.
- D. The Resident Services Coordinator will assist the family members in identifying appropriate volunteer positions and in meeting their responsibilities. The Resident Services coordinator will track the family member's progress monthly and will meet with the family member as needed to best encourage compliance.
- E. Thirty (30) days before the family's next lease anniversary date, the Resident Services Coordinator will advise the Housing Authority of the City of Vidalia whether each applicable adult family member is in compliance with the community service requirement.

13.6 NOTIFICATION OF NON-COMPLIANCE WITH COMMUNITY SERVICE REQUIREMENT

The Housing Authority of the City of Vidalia will notify any family found to be in noncompliance of the following:

- A. The family member(s) has been determined to be in noncompliance;
- B. That the determination is subject to the grievance procedure; and
- C. That, unless the family member(s) enter into an agreement to comply, the lease will not be renewed or will be terminated;

13.7 OPPORTUNITY FOR CURE

The Housing Authority of the City of Vidalia will offer the family member(s) the

opportunity to enter into an agreement prior to the anniversary of the lease. The agreement shall state that the family member(s) agrees to enter into an economic self-sufficiency program or agrees to contribute to community service for as many hours as needed to comply with the requirement over the past 12-month period. The cure shall occur over the 12-month period beginning with the date of the agreement and the resident shall at the same time stay current with that year's community service requirement. The first hours a resident earns goes toward the current commitment until the current year's commitment is made.

The Resident Service Coordinator will assist the family member in identifying volunteer opportunities and will track compliance on a monthly basis.

If any applicable family member does not accept the terms of the agreement, does not fulfill their obligation to participate in an economic self-sufficiency program, or falls behind in their obligation under the agreement to perform community service by more than three (3) hours after three (3) months, the Housing Authority of the City of Vidalia shall take action to terminate the lease.

13.8 PROHIBITION AGAINST REPLACEMENT OF AGENCY EMPLOYEES

In implementing the service requirement, the Vidalia Housing Authority may not substitute community service or self-sufficiency activities performed by residents for work ordinarily performed by its employees or replace a job at any location where residents perform activities to satisfy the service requirement.

14.0 RECERTIFICATIONS

At least annually, the Housing Authority of the City of Vidalia will conduct a reexamination of family income and circumstances. The results of the reexamination determine (1) the rent the family will pay, and (2) whether the family is housed in the correct unit size.

14.1 GENERAL

The Housing Authority of the City of Vidalia will send a notification letter to the family letting them know that it is time for their annual reexamination, giving them the option of selecting either the flat rent or formula method, and scheduling an appointment if they are currently paying a formula rent. If the family thinks they may want to switch from a flat rent to a formula rent, they should request an appointment. At the appointment, the family can make their final decision regarding which rent method they will choose. The letter also includes, for those families paying the formula method, forms for the family to complete in preparation for the interview. The letter includes instructions permitting the family to reschedule the interview if necessary. The letter tells families who may need to

make alternate arrangements due to a disability that they may contact staff to request an accommodation of their needs.

During the appointment, the Housing Authority of the City of Vidalia will determine whether family composition may require a transfer to a different bedroom size unit, and if so, the family's name will be placed on the transfer list.

14.2 MISSED APPOINTMENTS

If the family fails to respond to the letter and fails to attend the interview, a second letter will be mailed. The second letter will advise of a new time and date for the interview, allowing for the same considerations for rescheduling and accommodation as above. The letter will also advise that failure by the family to attend the second scheduled interview will result in the Housing Authority of the City of Vidalia taking eviction actions against the family.

14.3 FLAT RENTS

The annual letter to flat rent payers regarding the reexamination process will state the following:

- A. Each year at the time of the annual reexamination, the family has the option of selecting a flat rent amount in lieu of completing the reexamination process and having their rent based on the formula amount.
- B. The amount of the flat rent
- C. A fact sheet about formula rents that explains the types of income counted, the most common types of income excluded, and the categories allowances that can be deducted from income.
- D. Families who opt for the flat rent will be required to go through the income reexamination process every three years, rather than the annual review they otherwise would undergo.
- E. Families who opt for the flat rent may request to have a reexamination and return to the formula-based method at any time for any of the following reasons:
 - 1. The family's income has decreased.
 - 2. The family's circumstances have changed increasing their expenses for child care, medical care, etc.
 - 3. Other circumstances creating a hardship on the family such that the formula method would be more financially feasible for the family.

- F. The dates upon which the Housing Authority of the City of Vidalia expects to review the amount of the flat rent, the approximate rent increase the family could expect, and the approximate date upon which a future rent increase could become effective.
- G. A certification for the family to sign accepting or declining the flat rent.

Each year prior to their anniversary date, Housing Authority of the City of Vidalia will send a reexamination letter to the family offering the choice between a flat or a formula rent. At the appointment, the Housing Authority of the City of Vidalia may assist the family in identifying the rent method that would be most advantageous for the family.

14.4 THE FORMULA METHOD

During the interview, the family will provide all information regarding income, assets, expenses, and other information necessary to determine the family's share of rent. The family will sign the HUD consent Form 9886 and other consent forms that later will be mailed to the sources that will verify the family circumstances.

Upon receipt of verification, the Housing Authority of the City of Vidalia will determine the family's annual income and will calculate their rent as follows.

The total tenant payment is equal to the highest of:

- A. 10% of monthly income;
- B. 30% of adjusted monthly income; or
- C. The welfare rent.

The family will pay the greater of the total tenant payment or the minimum rent of which ever is higher or may chose the flat rent.

14.5 EFFECTIVE DATE OF RENT CHANGES FOR ANNUAL REEXAMINATIONS

The new rent will generally be effective after giving thirty (30) days notice upon completing the reexamination for any rent increase to the family.

If the rent determination is delayed due to a reason beyond the control of the family, then any rent increase will be effective the first of the month after the month in which the family receives a 30-day notice of the amount. If the new rent is a reduction and the delay is beyond the control of the family, the reduction will be effective as scheduled on the reexamination date.

If the family caused the delay, then any increase will be effective on the reexamination date. Any reduction will be effective the first of the month after the rent amount is determined.

14.6 INTERIM REEXAMINATIONS

During an interim reexamination, only the information affected by the changes being reported will be reviewed and verified.

Families are required to report the following changes to the Housing Authority of the City of Vidalia between regular reexaminations. If the family's rent is being determined under the formula method, these changes will trigger an interim reexamination. The family shall report these changes within ten (10) days of their occurrence.

- A. A member has been added to the family through birth or adoption or court-awarded custody.
- B. A household member is leaving or has left the family unit.

In order to add a household member other than through birth or adoption (including a live-in aide), the family must request that the new member be added to the lease. Before adding the new member to the lease, the individual must complete an application form stating their income, assets, and all other information required of an applicant. The individual must provide their Social Security number if they have one and must verify their citizenship/eligible immigrant status. (Their housing will not be delayed due to delays in verifying eligible immigrant status other than delays caused by the family.) The new family member will go through the screening process similar to the process for applicants. The Housing Authority of the City of Vidalia will determine the eligibility of the individual before adding them to the lease. If the individual is found to be ineligible or does not pass the screening criteria, they will be advised in writing and given the opportunity for an informal review. If they are found to be eligible and do pass the screening criteria, their name will be added to the lease. At the same time, if the family's rent is being determined under the formula method, the family's annual income will be recalculated taking into account the circumstances of the new family member. The effective date of the new rent will be in accordance with paragraph below 14.8.

Families will report any increase in income and allowable expenses, or other changes in family circumstances. The Housing Authority of the City of Vidalia will take timely action to process the interim reexamination and recalculate the tenant's rent. However, the Housing Authority may decline to conduct an interim re-examination of family income if the Housing Authority estimates that the family's annual adjusted income will decrease by an amount that is less than ten percent (10%) of the family's annual adjusted income. Also, the Housing Authority may not conduct an interim re-examination if a family reports an increase in income within three months of their next annual re-examination effective date.

14.7 SPECIAL REEXAMINATIONS

If a family's income is too unstable to project for twelve (12) months, including families that temporarily have no income (0 renters) or have a temporary decrease in income, the Housing Authority of the City of Vidalia may schedule special reexaminations every sixty (60) days until the income stabilizes and an annual income can be determined.

14.8 EFFECTIVE DATE OF RENT CHANGES DUE TO INTERIM OR SPECIAL REEXAMINATIONS

Unless there is a delay in reexamination processing caused by the family, any rent increase will be effective the first of the second month after the month in which the family receives notice of the new rent amount. If the family causes a delay, then the rent increase will be effective on the date it would have been effective had the process not been delayed (even if this means a retroactive increase).

If the new rent is a reduction and any delay is beyond the control of the family, the reduction will be effective the first of the month after the interim reexamination should have been completed.

If the new rent is a reduction and the family caused the delay or did not report the change in a timely manner, the change will be effective the first of the month after the rent amount is determined.

14.9 EFFECTIVE DATE OF TERMINATION DUE TO ASSET LIMITATION AS DEFINED IN HOTMA.

The Housing Authority of the City of Vidalia must initiate eviction or termination of a family's assistanc no later than six months after the effective date of an annual or interim re-examination for the following:

1. Net family assets that exceed \$100,000 and/or
2. The family has a present ownership interest in, a legal right to reside in, and the effective legal authority to sell the real property(based on laws of the state of Georgia) that is suitable for occupancy by the family as a residence.

14.10 OVER INCOME (OI) FAMILIES (HOTMA)

A. ***In general.*** Families participating in the public housing program must not have incomes that exceed the over-income limit, as determined by paragraph (b) of this section, for more than 24 consecutive months.

(1) This provision applies to all families in the Housing Authority of the City of Vidalia's public housing program, including FSS families and all families receiving EID.

B. ***Determination of over-income limit.*** The over-income limit is determined by multiplying the applicable income limit for a very low-income family as defined in § 5.603(b) of this title, by a factor of 2.4.

C. ***Notifying over-income families.***

(1) If the Vidalia Housing Authority determines the family has exceeded the over-income limit pursuant to an income examination, the Authority will provide written notice to the family of the over-income determination no later than 30 days after the income examination. The notice will state that the family has exceeded the over-income limit and continuing to exceed the over-income limit for a total of 24 consecutive months will result in the Authority following its continued occupancy policy for over-income families in accordance with paragraph (d) of this section. Pursuant to 24 CFR part 966, subpart B, the Housing Authority will afford the family an opportunity for a hearing if the family disputes within a reasonable time the Authority's determination that the family has exceeded the over-income limit.

(2) The Authority will conduct an income examination 12 months after the initial over-income determination described in paragraph (c)(1) of this section, unless the Authority determined the family's income fell below the over-income limit since the initial over-income determination. If the Authority determines the family has exceeded the over-income limit for 12 consecutive months, the Authority will provide written notification of this 12-month over-income determination no later than 30 days after the income examination that led to the 12-month over-income determination. The notice will state that the family has exceeded the over-income limit for 12 consecutive months and continuing to exceed the over-income limit for a total of 24 consecutive months will result in the Authority following its continued occupancy policy for over-income families in accordance with paragraph (d) of this section. Pursuant to 24 CFR part 966, subpart B, the Authority will afford the family an opportunity for a hearing if the family disputes within a reasonable time the, Authority's determination that the family has exceeded the over-income limit.

(3) The Authority will conduct an income examination 24 months after the initial over-income determination described in paragraph (c)(1) of this section, unless the Authority determined the family's income fell below the over-income limit since the second over-income determination. If the Authority determines the family has exceeded the over-income limit for 24 consecutive months, then the Authority will provide written notification of this 24-month over-income determination no later than 30 days after the income examination that led to the 24-month over-income determination. The notice will state:

(i) That the family has exceeded the over-income limit for 24 consecutive months.

(ii) That the Authority must either terminate the family's tenancy or charge the family the alternative non-public housing rent, in accordance with its continued occupancy policy for over-income families in accordance with paragraph (d) of this section.

(A) If the Housing Authority determines that under this policy the family's tenancy will be terminated in accordance with paragraph (d)(2) of this section, then the notice must inform the family of this determination and state the period of time before tenancy termination.

(iii) Pursuant to 24 CFR part 966, subpart B, the Housing Authority will afford the family an opportunity for a hearing if the family disputes within a reasonable time the Authority's determination that the family has exceeded the over-income limit.

(4) If, at any time during the consecutive 24-month period following the initial over-income determination described in paragraph (c)(1) of this section, a Authority determines that the family's income is below the over-income limit, the family is entitled to a new 24 consecutive month period of being over-income and new notices under paragraphs (c)(1), (c)(2), and (c)(3) of this section if the Authority later determines that the family income exceeds the over-income limit.

15.0 UNIT TRANSFERS

15.1 OBJECTIVES OF THE TRANSFER POLICY

The objectives of the Transfer Policy include the following:

- A. To address emergency situations.
- B. To fully utilize available housing resources while avoiding overcrowding by insuring that each family occupies the appropriate size unit.
- C. To facilitate a relocation when required for modernization or other management purposes.
- D. To facilitate relocation of families with inadequate housing accommodations.
- E. To provide an incentive for families to assist in meeting the Housing Authority of the City of Vidalia's deconcentration initiatives.
- F. To eliminate vacancy loss and other expense due to unnecessary transfers.

15.2 CATEGORIES OF TRANSFERS

Category 1: Emergency transfers. These transfers are necessary when conditions pose an immediate threat to the life, health, or safety of a family or one of its members. Such situations may involve defects of the unit or the building in which it is located, the health condition of a family member, a hate crime, the safety of witnesses to a crime, or a law enforcement matter particular to the neighborhood.

Category 2: Immediate administrative transfers. These transfers are necessary in order to permit a family needing accessible features to move to a unit with such a feature or to enable modernization work to proceed.

Category 3: Regular administrative transfers. These transfers are made to offer incentives to families willing to help meet certain Housing Authority of the City of Vidalia occupancy goals, to correct occupancy standards where the unit size is inappropriate for the size and composition of the family, to allow for non-emergency but medically advisable transfers, and other transfers approved by the Housing Authority of the City of Vidalia when a transfer is the only or best way of solving a serious problem.

15.3 DOCUMENTATION

When the transfer is at the request of the family, the family may be required to provide third party verification of the need for the transfer.

15.4 INCENTIVE TRANSFERS

Families living in multifamily developments have the opportunity to transfer to another housing unit. Families approved for such transfers will meet the following eligibility criteria:

- A. Have been a tenant for three years;
- B. For a minimum of one year, at least one adult family member is enrolled in an economic self-sufficiency program or is working at least thirty-five (35) hours per week, the adult family members are 62 years of age or older or are disabled or are the primary care givers to others with disabilities;
- C. Adult members who are required to perform community service have been current in these responsibilities since the inception of the requirement or for one year which ever is less;
- D. The family is current in the payment of all charges owed the Housing Authority of the City of Vidalia and has not paid late rent for at least one year;
- E. The family passes a current housekeeping inspection and does not have any record of housekeeping problems during the last year;
- F. The family has not materially violated the lease over the past two years by disturbing the peaceful enjoyment of their neighbors, by engaging in criminal or drug-related activity, or by threatening the health or safety of tenants or Housing Authority staff.

15.5 PROCESSING TRANSFERS

Transfers on the waiting list will be sorted by the above categories and within each category by date and time.

Transfers in category A and B will be housed ahead of any other families, including those on the applicant waiting list. Transfers in category A will be housed ahead of transfers in category B.

Upon offer and acceptance of a unit, the family will execute all lease up documents and pay any rent and/or security deposit within two (2) days of being informed the unit is ready to rent. The family will be allowed seven (7) calendar days to complete a transfer. The family will be responsible for paying rent at the old unit as well as the new unit for any period of time they have possession of both. The prorated rent and other charges

must be paid at the time of lease execution.

The following is the policy for the rejection of an offer to transfer:

- A. If the family rejects with good cause any unit offered, they will not lose their place on the transfer waiting list.
- B. If the transfer is being made at the request of the Housing Authority of the City of Vidalia and the family rejects two offers without good cause, the Housing Authority of the City of Vidalia will take action to terminate their tenancy. If the reason for the transfer is that the current unit is too small to meet the Housing Authority of the City of Vidalia's optimum occupancy standards, the family may request in writing to stay in the unit without being transferred so long as their occupancy will not exceed two people per living/sleeping room.
- C. If the transfer is being made at the family's request and the rejected offer provides deconcentration incentives, the family will maintain their place on the transfer list and will not otherwise be penalized.
- D. If the transfer is being made at the family's request, the family may, without good cause and without penalty, turn down one offer that does not include deconcentration incentives. After turning down a second such offer without good cause, the family's name will be removed from the transfer list.

15.6 COST OF THE FAMILY'S MOVE

The cost of the transfer generally will be borne by the family in the following circumstances:

- A. When the transfer is made at the request of the family or by others on behalf of the family (i.e. by the police);
- B. When the transfer is needed to move the family to an appropriately sized unit, either larger or smaller;
- C. When the transfer is necessitated because a family with disabilities needs the accessible unit into which the transferring family moved (The family without disabilities signed a statement to this effect prior to accepting the accessible unit);
or
- D. When the transfer is needed because action or inaction by the family caused the unit to be unsafe or uninhabitable.

The cost of the transfer will be borne by the Housing Authority of the City of Vidalia in the following circumstances:

- A. When the transfer is needed in order to carry out rehabilitation activities; or
- B. When action or inaction by the Housing Authority of the City of Vidalia has caused the unit to be unsafe or uninhabitable.

The responsibility for moving costs in other circumstances will be determined on a case by case basis.

15.7 TENANTS IN GOOD STANDING

When the transfer is at the request of the family, it will not be approved unless the family is in good standing with the Housing Authority of the City of Vidalia. This means the family must be in compliance with their lease, current in all payments to the Housing Authority, and must pass a housekeeping inspection.

15.8 TRANSFER REQUESTS

A tenant may request a transfer at any time by completing a transfer request form. In considering the request, the Housing Authority of the City of Vidalia may request a meeting with the tenant to better understand the need for transfer and to explore possible alternatives. The Housing Authority of the City of Vidalia will review the request in a timely manner and if a meeting is desired, it shall contact the tenant within ten (10) business days of receipt of the request to schedule a meeting.

The Housing Authority of the City of Vidalia will grant or deny the transfer request in writing within ten (10) business days of receiving the request or holding the meeting, whichever is later.

If the transfer is approved, the family's name will be added to the transfer waiting list.

If the transfer is denied, the denial letter will advise the family of their right to utilize the grievance procedure.

15.9 RIGHT OF THE HOUSING AUTHORITY OF THE CITY OF VIDALIA IN TRANSFER POLICY

The provisions listed above are to be used as a guide to insure fair and impartial means of assigning units for transfers. It is not intended that this policy will create a property right or any other type of right for a tenant to transfer or refuse to transfer.

16.0 INSPECTIONS

An authorized representative of the Housing Authority of the City of Vidalia and an adult family member will inspect the premises prior to commencement of occupancy. A written statement of the condition of the premises will be made, all equipment will be provided, and the statement will be signed by both parties with a copy retained in the Housing Authority of the City of Vidalia file and a copy given to the family member. An authorized Housing Authority of the City of Vidalia representative will inspect the premises at the time the resident vacates and will furnish a statement of any charges to be made provided the resident turns in the proper notice under State law. The resident's security deposit can be used to offset against any Housing Authority of the City of Vidalia damages/charges to the unit.

16.1 MOVE-IN INSPECTIONS

The Housing Authority of the City of Vidalia and an adult member of the family will inspect the unit prior to signing the lease. Both parties will sign a written statement of the condition of the unit. A copy of the signed inspection will be given to the family and the original will be placed in the tenant file.

16.2 ANNUAL INSPECTIONS

The Housing Authority of the City of Vidalia will inspect each public housing unit annually to ensure that each unit meets the Housing Authority of the City of Vidalia's housing standards. Work orders will be submitted and completed to correct any deficiencies.

16.3 PREVENTATIVE MAINTENANCE INSPECTIONS

This is generally conducted along with the annual inspection. This inspection is intended to keep items in good repair. It checks weatherization; checks the condition of the smoke detectors, water heaters, furnaces, automatic thermostats and water temperatures; checks for leaks; and provides an opportunity to change furnace filters and provide other minor servicing that extends the life of the unit and its equipment.

16.4 SPECIAL INSPECTIONS

A special inspection may be scheduled to enable HUD or others to inspect a sample of the housing stock maintained by the Housing Authority of the City of Vidalia.

16.5 HOUSEKEEPING INSPECTIONS

Generally, at the time of annual reexamination, or at other times as necessary, the Housing Authority of the City of Vidalia will conduct a housekeeping inspection to ensure the family is maintaining the unit in a safe and sanitary condition.

16.6 NOTICE OF INSPECTION

For inspections defined as annual inspections, preventative maintenance inspections, special inspections, and housekeeping inspections the Housing Authority of the City of Vidalia will give the tenant at least two (2) days written notice.

16.7 EMERGENCY INSPECTIONS

If any employee and/or agent of the Housing Authority of the City of Vidalia has reason to believe that an emergency exists within the housing unit, the unit can be entered without notice. The person(s) that enters the unit will leave a written notice to the resident that indicates that the unit was entered and the reason why it was necessary to enter the unit.

16.8 PRE-MOVE-OUT INSPECTIONS

When a tenant gives notice that they intend to move, the Housing Authority of the City of Vidalia will offer to schedule a pre-move-out inspection with the family. The inspection allows the Housing Authority of the City of Vidalia to help the family identify any problems which, if left uncorrected, could lead to vacate charges. This inspection is a courtesy to the family and has been found to be helpful both in reducing costs to the family and in enabling the Housing Authority of the City of Vidalia to ready units more quickly for the future occupants.

16.9 MOVE-OUT INSPECTIONS

The Housing Authority of the City of Vidalia conducts the move-out inspection after the tenant vacates to assess the condition of the unit and determine responsibility for any needed repairs. When possible, the tenant is notified of the inspection and is encouraged to be present. This inspection becomes the basis for any claims that may be assessed against the security deposit.

17.0 PET POLICY

Per the requirements of the Quality Housing and Work Responsibility Act of 1998, the Authority has established a Pet Policy. A copy of the Pet Policy is attached and is hereby made a part of this document.

18.0 REPAYMENT AGREEMENTS

When a resident owes the Housing Authority of the City of Vidalia back charges and is unable to pay the balance by the due date, the resident may request that the Housing Authority of the City of Vidalia allow them to enter into a Repayment Agreement. The

Housing Authority of the City of Vidalia has the sole discretion of whether to accept such an agreement. All Repayment Agreements must assure that the full payment is made within a period not to exceed six (6) months. All Repayment Agreements must be in writing and signed by both parties. Failure to comply with the Repayment Agreement terms may subject the Resident to eviction procedures.

19.0 TERMINATION

19.1 TERMINATION BY TENANT

The tenant may terminate the lease at any time upon submitting a 15-day written notice. If the tenant vacates prior to the end of the fifteen (15) days, they will be responsible for rent through the end of the notice period.

19.2 TERMINATION BY THE HOUSING AUTHORITY

The Housing Authority of the City of Vidalia after 10/1/2000 will not renew the lease of any family that is not in compliance with the community service requirement or an approved Agreement to Cure. If they do not voluntarily leave the property, eviction proceedings will begin.

- B. HUD has issued a due process determination that the law of this State requires that residents be given the opportunity for a hearing in a court that provides the basic elements of due process before eviction from a dwelling unit. The Vidalia Housing Authority has therefore determined that this Grievance Procedure shall not be applicable to any termination of tenancy or eviction for:
 - 1. Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the Vidalia Housing Authority’s public housing premises by other residents or employees of the Housing Authority.
 - 2. Any violent or drug-related criminal activity on or off such premises; or

19.4 ABANDONMENT

Tenant has abandoned the dwelling if the Tenant is absent from the dwelling for a period of fifteen (15) days, and the Tenant has not notified the Authority in writing in advance of an intended absence, or as provided in this Lease. The following criteria will be used in determining if the unit has been abandoned:

The Authority will post a five (5) day notice at the abandoned unit. The Five (5) day notice shall inform the Tenant of the Authority's intention to terminate the Lease and related actions. If the Tenant does not respond to the notice within five days, the Tenant's lease will be terminated and the Authority will enter the unit to remove any remaining personal possessions. The Authority may remove and dispose of any personal property, left in the Tenant's dwelling or elsewhere on the Authority property in accordance with Georgia Statutes, after the Tenant has abandoned the dwelling, with the reasonable cost of any storage, removal and/or disposal charged to Tenant or assessed against Tenant's security deposit, unless in the Authority's sole discretion, the Authority is determined that documentable conditions existed which prevented the Tenant from occupying the dwelling.

19.5 RETURN OF SECURITY DEPOSIT

After a family moves out, the Housing Authority of the City of Vidalia will return the security deposit within thirty (30) days or give the family a written statement of why all or part of the security deposit is being kept. The rental unit must be restored to the same conditions as when the family moved in, except for normal wear and tear.

21.0 AMENDMENTS

21.1 FLAT RENT AMENDMENT (SECTION 12.4, ADOPTED MAY 29, 2014)

In accordance with the Fiscal Year 2014 Appropriations Act, Public Law 113-76, The Housing Authority of the City of Vidalia has set a flat rent for each public housing unit. All Flat Rents will be set at no less than 80 percent of the Fair Market Rent, less the current utility rate for each specified unit. Flat Rent rates will be set by October 1, 2014 for current tenants and new tenants thereafter. Current tenants will have a choice to pay the new Flat Rent Rate or income based rental amount at their next rental exam, after the new Flat Rent Rate are set.

The Housing Authority of the City of Vidalia ensures that no rent shall increase more than 35 percent as a result of the new Flat Rental Change. Each family will have a choice between the new Flat Rent and income based rent and may only change once per year, unless a Financial Hardship exists.

The amount of the flat rent will be reevaluated annually and adjustments applied if applicable. Affected families will be given a 30-day notice of any rent change.

The Housing Authority of the City of Vidalia will post the flat rents at the administrative office and are incorporated in this policy upon approval by the Board of Commissioners.

21.2 LATE FEE AMENDMENT (SECTION 12.8, ADOPTED JUNE 29, 2017)

Amendment Reads as follows:

If the rent is not paid by the fifth working day of the month, a Notice to Vacate will be issued to the tenant. In addition, a \$15 late charge will be assessed to the tenant. If rent is paid by a personal check and the check is returned for insufficient funds, this shall be considered a non-payment of rent and will incur the late charge plus an additional charge of \$20 for processing costs.

21.3 HOUSING OPPORTUNITY THROUGH MODERNIZATION ACT OF 2016 (HOTMA) AMENDMENT (ADOPTED FEBRUARY 2023, EFFECTIVE 10.01.2024)

The Final Rule implementing Sections 102, 103, and 104 of the Housing Opportunity Through Modernization Act of 2016 (HOTMA) delivers important benefits to tenants and reduces administrative burdens for public housing agencies (PHAs), multifamily housing owners (MFH owners), and participating jurisdictions. The highlights of the Final Rule are outlined below.

Section 102: Income Reviews

- *Fewer Interim Reexaminations: HOTMA creates a 10% adjusted income increase/decrease threshold for conducting Interim Reexaminations, and in most cases requires that increases in earned income are not processed until the next Annual Reexamination, allowing families to keep more of their earnings before receiving a rent increase. The new requirements should lead to fewer Interim Reexaminations overall, alleviating burden for both participants and PHAs.*
- *Streamlined Verifications: Several provisions will streamline the verification process for housing providers.*

- o Adults Only Need to Sign Consent Form Once: HOTMA revises the required consent form that all adult household members sign, allowing them to sign the form only once instead of annually.*
- o Use of Income Determinations from Other Programs: HOTMA allows PHAs to use income determinations made under other federal benefits programs for reexaminations.*
- o Review of EIV Not Required at Interim Reexamination: HOTMA eliminates the requirement for PHAs to use EIV to verify tenant employment and income information during an interim reexamination, significantly reducing administrative burden.*
- *Increased Standard Deduction for Elderly/Disabled Households: HOTMA increases standard deductions for families with a head, co-head, or spouse who is elderly or a person with a disability.*
- *Additional Income Exclusions: The rule codifies additional income and asset exclusions, including:*
 - o Amounts received from Medicaid or other state/local programs meant to keep a family member with a disability living at home*
 - o Veterans' aide and attendant care*
 - o Distributions of principal from non-revocable trusts, including Special Needs Trusts.*
- *Threshold for Claiming Medical/Disability Expenses Increased: HOTMA increases the allowance for unreimbursed health and medical care expenses from 3% of annual income to 10%, phased-in over two years.*
- *Higher Threshold for Imputing Asset Income: HOTMA raises the imputed asset threshold from \$5,000 to \$50,000, incentivizing families to build wealth without imputing income on those assets.*
- *Hardship Relief: HOTMA provides hardship relief for expense deductions, lessening the impact of the increased threshold for medical expenses. HOTMA permits PHAs to grant hardship relief to families unable to pay rent because of unanticipated medical/disability expenses and families who are no longer eligible for the childcare expense deduction.*

Section 103: Public Housing Income Limit

- *Public Housing Income Limitation: HOTMA imposes continued program participation limits for families exceeding the statutory income limitation in the Public Housing program, also known as the “over-income” provision.*

Section 104: Asset Limits

- *Asset Limitation: HOTMA imposes a \$100,000 asset limit for eligibility and continued assistance. Families are also ineligible for assistance if they own real property suitable for occupancy. PHAs have the option of delaying enforcement/termination for up to six months if the family is over the asset threshold at the time of annual reexamination.*
- *Exclusion of Retirement and Educational Savings Accounts: Retirement accounts and educational savings accounts will not be considered a net family asset. This is a major benefit to families, incentivizing savings for important life milestones and opportunities. This will also provide significant administrative relief to PHAs by allowing them to stop verifying and calculating these assets altogether.*
- *Self-Certification of Assets under \$50,000: HOTMA allows self-certification of net assets if estimated to be at or below \$50,000. This will be a time-savings for families and lower administrative burden for PHAs recertifying income.*

Cross-Cutting

- *Adjustments for Inflation: Deductions and the asset limitation will be adjusted for inflation annually, ensuring that deductions do not lose value over time and that families are able to build more wealth without losing program assistance. The current deduction amounts have never been adjusted.*
